Executive Field Summary

Converts carrier claim scope PDFs and XML files into Xactimate-importable .esx files, maps line items against Xactimate SEL codes, checks missing scope against 107 completeness rules, and publishes nine free no-signup estimator utilities.

Core Capabilities & Restoration Workflow Fit

Automated PDF/XML scope parsing into Xactimate .esx format, SEL code matching with unresolved-line review flags, 107 dashboard completeness rules with stored citations, Photo-Scope analysis, and nine free no-signup web tools (Line Coverage Check, Scope Intake Report, XML Scope Reader, ESX File Validator, Xactimate Pricing Explained, Xactimate Glossary, Guides & Resources, ESX File Viewer, and Profit Projection Calculator).

Corporate Ownership & M&A Verification Note

Independent privately held software company operated by Off By Two LLC (founded by Chaz Jaco in Jenks / Tulsa, OK; zero venture capital or corporate-parent subsidiary ties).

Procurement Due-Diligence & Field Watch-Outs

Confirm human estimator review before importing AI-generated or PDF-parsed ESX lines into live carrier submissions; verify plan caps (Free tier: 5 conversions/month; paid tiers start at $50/month for 25 conversions, with API & Integrations at $9/month below the 100-conversion tier) and privacy/retention rules for uploaded claim PDFs.

Ecosystem & Software / Distribution Integrations

Xactimate desktop .esx import/export, Scope XML ingestion, Xactimate SEL code catalogue, Stripe billing, and paid-tier API & Integrations add-on.

Practitioner Frequently Asked Questions

Q: What does ESXPress convert into Xactimate .esx files?
ESXPress converts carrier insurance claim scope PDFs and scope XML files into Xactimate-importable .esx files while checking line items against Xactimate SEL codes and flagging missing scope for estimator review.
