Executive Field Summary

Employee-owned national distributor of fire/water restoration equipment, environmental abatement supplies, industrial safety PPE, and catastrophe response consumables across key US regional hubs.

Core Capabilities & Restoration Workflow Fit

Multi-brand drying and HEPA equipment distribution, asbestos/lead/mold consumables, respirator fit-testing & safety supplies, and 24/7 emergency storm fulfillment.

Corporate Ownership & M&A Verification Note

Independent 100% Employee-Owned (ESOP) national distributor founded in 1983 in Texas.

Procurement Due-Diligence & Field Watch-Outs

Use Abatix as a competitive national-account counterpart to Aramsco following the 2025 Jon-Don shutdown; verify branch proximity and same-day delivery cutoffs in your core metros.

Ecosystem & Software / Distribution Integrations

Online B2B ordering portal, commercial trade credit accounts, and regional branch will-call.

Practitioner Frequently Asked Questions

Q: Who owns Abatix?
Abatix operates as an independent ESOP (Employee Stock Ownership Plan) company owned by its employees rather than by private equity or a competing distributor.

Q: Why are contractors adding Abatix as a secondary or primary supplier in 2026?
With Jon-Don shutting down in May 2025, independent and multi-location restorers rely on Abatix to preserve competitive pricing and guaranteed stock allocation during storm surges.

Q: What product categories does Abatix stock?
Dehumidifiers, air scrubbers, remediation chemicals, poly/containment tape, OSHA PPE, and asbestos/mold abatement supplies.
