Executive Field Summary

Restoration estimating intelligence organization delivering the live Actionable Xactimate Profile, an extensive Insight Sheet line-item database, and estimator certification programs.

Core Capabilities & Restoration Workflow Fit

Real-time in-Xactimate line-item alerts flagging omitted or overused codes, 3,900+ Insight Sheet invoicing templates, pre-built Xactimate macros, and AI Matterport/Xactimate training.

Corporate Ownership & M&A Verification Note

Independent restoration industry education, Xactimate guidance software (Actionable Profile), and Matterport certification organization.

Procurement Due-Diligence & Field Watch-Outs

Measure membership ROI by tracking approved supplement capture and reduced estimator rework across junior writers before expanding enterprise seat licenses.

Ecosystem & Software / Distribution Integrations

Native Verisk Xactimate Actionable Profile integration, Matterport 3D documentation training standards, and multi-carrier compliance guidance.

Practitioner Frequently Asked Questions

Q: What is the Actionable Profile inside Xactimate?
It is a live estimating profile integrated directly inside Xactimate that surfaces real-time alerts when line items conflict, miss required components, or lack standard supporting documentation.

Q: Who typically buys Actionable Insights subscriptions?
Both restoration contracting firms training new estimators and insurance carriers/TPAs seeking standardized, defensible line-item documentation use Actionable Insights.

Q: Does Actionable Insights replace Xactimate licensing?
No; it works as a companion guidance layer and educational database on top of an active Verisk Xactimate subscription.
