Executive Field Summary

Major national property claims services provider spanning independent adjusting, desk/CAT staffing, temporary housing, and subrogation—having spun off its Managed Repair Program network into standalone Altimeter Solutions Group in January 2026.

Core Capabilities & Restoration Workflow Fit

Daily and CAT property claims adjusting, policyholder temporary housing placement, subrogation & recovery services, and call-center FNOL support (managed-repair contractor network now operates independently as Altimeter Solutions Group).

Corporate Ownership & M&A Verification Note

Independent operating claims-services company (majority-owned by BlackRock Alternatives). IMPORTANT JAN 2026 STRUCTURAL SPLIT: On January 20–21, 2026, Alacrity divested its Managed Repair Program (MRP) division to BV Investment Partners, which rebranded as Altimeter Solutions Group (altimetersolutionsgroup.com). Historical Nexxus Solutions Group was earlier absorbed via Worley.

Procurement Due-Diligence & Field Watch-Outs

CRITICAL 2026 CONTRACTOR CHECK: Verify whether legacy Alacrity Managed Repair agreements, portal logins, and remittance entities have transitioned to Altimeter Solutions Group (altimetersolutionsgroup.com) following the January 2026 divestiture.

Ecosystem & Software / Distribution Integrations

XactAnalysis, Cotality Symbility, carrier FNOL systems, and separated Altimeter Solutions Group contractor network portals.
