Procurement Due-Diligence & Field Watch-Outs

Compare AHAM pint-per-day efficiency and amp draw across LGR models, confirm local authorized service-center repair turnaround, and note that Prochem and Sapphire Scientific are folded into Legend Brands rather than separate OEMs.

Ecosystem & Software / Distribution Integrations

Dri-Eaz Command Hub app & Bluetooth telemetry; widely stocked across Aramsco, Abatix, Inline Distributing, and regional distributors.

Practitioner Frequently Asked Questions

Q: Which restoration brands sit under Legend Brands?
Legend Brands houses Dri-Eaz, ProRestore, Microban (restoration line distribution), Prochem, Sapphire Scientific, and Chemspec under parent company RPM International Inc.

Q: Is Benefect owned by Legend Brands or RPM?
No—although older trade directories sometimes mislabel Benefect under RPM, Benefect was acquired by ICP Group in March 2019 and is badged under ICP Group in this census.

Q: How does Legend Brands handle equipment telemetry?
Select Dri-Eaz dehumidifiers and sensors connect via Bluetooth to Legend Brands' Command Hub platform for remote psychrometric monitoring.
