Executive Field Summary

National property managed-repair network connecting insurance carriers with vetted mitigation, general contracting, and flooring/rebuild specialists, backed by CCA Global Partners' national cooperative infrastructure.

Core Capabilities & Restoration Workflow Fit

Emergency water/fire mitigation dispatch, full-service structural reconstruction, flooring/interior replacement supply-chain leverage via CCA Global Partners, and carrier SLA administration.

Corporate Ownership & M&A Verification Note

Lionsbridge Contractor Group operates under parent cooperative/corporate group CCA Global Partners—disclosed under Option B parent-badge rules. DOMAIN FIX: Corrects the raw CSV's erroneous lionsbridge.com URL (an unrelated Calgary landscaping company) to the verified live site https://lionsbridgecontractorgroup.net/.

Procurement Due-Diligence & Field Watch-Outs

Verify contractor territory exclusivity/volume expectations, flooring-material sourcing requirements through CCA-aligned channels, and XactAnalysis compliance scorecards.

Ecosystem & Software / Distribution Integrations

Verisk XactAnalysis, carrier claims portals, and CCA Global Partners retail/flooring supply ecosystems.

Practitioner Frequently Asked Questions

Q: What is the correct official website for Lionsbridge Contractor Group?
The verified official website is lionsbridgecontractorgroup.net—not lionsbridge.com, which belongs to an unrelated landscaping firm in Calgary, Alberta.

Q: Who is Lionsbridge Contractor Group's parent organization?
Lionsbridge Contractor Group operates within CCA Global Partners, a major North American retail and flooring cooperative group.

Q: What types of restoration jobs does Lionsbridge route?
Lionsbridge dispatches both emergency property mitigation and multi-trade residential/commercial reconstruction claims for participating insurance carriers.
