RIA Pushes Xactimate for Dedicated Material-Handling Line Items

Canonical Web Version: https://restorationintel.com/ria-xactimate-material-handling-line-items/

Direct Answer: The Restoration Industry Association has formally asked Verisk's Xactware pricing team to add material-handling line items to the Xactimate database. If it happens, one of the most invisible — and most disputed — costs in restoration work finally gets its own line. On September 21, 2026, the Restoration Industry.

Field Benchmark & Decision Matrix

Operational Stage	Field Focus in This Guide	Documentation Requirement	Verification Gate
1. The ask	The Restoration Industry Association has formally asked Verisk's Xactware pricing.	Timestamped photos, measurements & scope notes	Cross-check against primary standard prior to submission
2. What "material handling" actually means	On September 21, 2026, the Restoration Industry Association (RIA) announced it had.	Timestamped photos, measurements & scope notes	Cross-check against primary standard prior to submission
3. Why this matters: the cost you're eating	RIA's case, in the release's own words: "Recent pressures on material sourcing have.	Timestamped photos, measurements & scope notes	Cross-check against primary standard prior to submission
4. This isn't the first round	The goal is "a standardized, transparent framework for both contractors and.	Timestamped photos, measurements & scope notes	Cross-check against primary standard prior to submission
