Executive Field Summary

Enterprise managed-repair contractor network operated by global claims administrator Sedgwick, dispatching vetted residential and commercial restoration firms across water, fire, storm, and specialty property claims.

Core Capabilities & Restoration Workflow Fit

End-to-end managed-repair assignment routing, emergency board-up and water mitigation dispatch, standardized Xactimate/Symbility audit controls, and integration with Sedgwick's global loss-adjusting and EFI Global engineering divisions.

Corporate Ownership & M&A Verification Note

Sedgwick Repair Solutions is the property managed-repair operating division of global TPA giant Sedgwick Claims Management Services (which also owns forensic subsidiary EFI Global), disclosed under Option B corporate-parent badge rules.

Procurement Due-Diligence & Field Watch-Outs

Review credentialing renewal fees, multi-carrier SLA matrices, payment remittance timing, and invoice-audit dispute escalation paths across Sedgwick's commercial vs. residential property programs.

Ecosystem & Software / Distribution Integrations

Verisk XactAnalysis, Cotality Claims Connect, Sedgwick contractor portals, and cross-referrals with Sedgwick Adjusting / EFI Global.

Practitioner Frequently Asked Questions

Q: How is Sedgwick Repair Solutions related to EFI Global?
Both Sedgwick Repair Solutions (managed-repair contractor network) and EFI Global (forensic engineering and fire investigation) are operating divisions of parent company Sedgwick Claims Management Services.

Q: Does Sedgwick dispatch commercial large losses as well as residential claims?
Yes; Sedgwick operates one of the largest global commercial property adjusting practices alongside residential managed-repair programs.

Q: Note on Sedgwick website access:
Sedgwick's primary web domain employs enterprise bot-WAF filtering on automated probes; official Sedgwick press/division portals were verified live for this census.
